

Finally, a group for mothers of school-age kids!

What is MOMSnext?

At MOPS International we believe Better Moms Make a Better World. As mothers enter the school years, new challenges and issues arise, but the need for community and hope remains. For this reason MOPS has expanded with a new community of mothers called MOMSnext, a ministry to mothers of school-age kids.

A MOMSnext group is an open, accepting place for all mothers of school-age kids to come, just as they are, to experience authentic community, personal growth, practical help and spiritual hope. MOMSnext will encourage, equip and develop moms in the next phase of mothering.

A mother's influence is great during the school years. Join us in this group experience designed to encourage, equip and develop mothers of school-age kids.
